“ My deepest condolences, prayers and love to the family. Mom, as I so lovingly called her, was such a beautiful, kind, sweet woman, who I truly love!! When Yasmin and I became close friends in middle school, Mom welcomed me to stay at their home every weekend! She always made me feel like a part of her family. I will love and miss her always!

“ It is with great sadness and sorrow that I’m writing this. You were a mother-in-law but always like a mother to me. In our last talk you said that you were tired and just wanted to go to sleep. Well mom, we know from the Bible that you are just sleeping now and although we will miss your physical presence very much, we look forward to seeing you again in the resurrection when Jesus will awaken you and restore your health again. In the meantime, we will treasure all the beautiful thoughts and memories of you. You leave quite a legacy. To the family, continue to pray for strength and comfort to help you deal with any sort of trial you may face during this difficult time.
