“ *Stafford Family,*
I knew Ms. Bertha, as we affectionately called her, as lovely, outspoken and non-sense woman who stood proudly as a mother, grandmother, great-grandmother and community advocate for Daufuskie Island residents during the developmental days of the island in the 70's, 80's and 90's. She spoke up and stood her ground in the interest of her family and the community. She was usually on point with her comments and had a good vision on what would happen if..... Our prayers and best wishes are with the family as you go through this transition from mortality to immortality. God bless the family.
