“ *As I write this tears are falling from my eyes sister Alice was more to me than a friend. I loved her like she was my mom and I know she is truly at rest. When you say a friend she went beyond that and more. I will miss her dearly. I loved you sister Alice but God sure enough loved you more. Peace rest my love until we meet again.*

“ *Ms. Alice was such a wonderful lady. She kept my girls leeaira and avaa since my baby girl was 1 years old. They became instantly I love with her. She kept avaa up until she was 4. But periodically she would keep the girls for us. They loved going to her house. They called her noni. She kept the girls just about 3 weeks ago because she wanted the girls to spend the night. She has been nothing but a blessing to me and my family. She was such a beautiful person. Prayed for me when I needed it as well as hugged me and just loved my girl like her own. They loved her so much. They loved spending time with her. Ms. Alice will be missed. She was and always will be loved by the milledge family. Praying for all of her family and friends.*

“ Donna,
I will forever feel a close connection to your Mother for her love and support of Miriam, Zane, and Zachary. The Zz are who they are partly because of their "Aunt Alice". Zach said Sunday night, "I will miss Aunt Alice's Spaghetti." Miriam said she always had a big pot ready for them when they visited. My siblings and I are praying for God's comfort and peace to cover you during this time a great loss.
