“ I know it's been a while, but I still wanted to extend my condolences for the loss of Tony (T-DIGGS!). He was one of the first people I met when I went to Savannah for school. Friendliest dude, always willing to help out. He even lived with me for a couple weeks, during which we would have video game tournaments, as Tony would put it, "for all the beans." His is sorely missed.

“ Anthony Diggs touch so many people. He made it his business to come into the office once a month to give me a hug. His greatest joy was his little girl. She was his world. He is truly missed and loved by many. To Ms. Diggs, you raised a good young man.
