“ A person can be here one day and gone the next. When you talk to someone everyday, it's hard to cope with the fact that you're gone. If I'm feeling like this I can't imagine what your family is going through. My deepest condolences goes out to the family. Mario was a great person and a great friend and he loved his family especially his nieces and nephews. Im really missing you already my friend but I know I gained an angel.
