“ I can't believe this still. I will never forget you and Crystal coming to First Church you both were the cutest little girls with a head full of hair! I remember holding you on my lap!! I pray God comforts the family in the coming weeks months and years. Death is never easy, and it always leaves questions, but I pray the Lord gives you all peace that surpasses your understanding.

“ What a beautiful person inside and out! We met several years ago while working in the gift wrapping department at Belk. It was years later that you asked if I would be Niyah's Godmother and what an honor it is (and will continue to be) to be a part of her village. Although brief it seems, I will forever treasure our time spent motivating each other along this journey! Heaven is a beautiful place, I know! Until we meet again, beautiful... 🧡💙🕊️
Prayers of comfort to each of you!
