“With deepest sympathy as you remember Clevend. God misses those who have passed away, He misses their prayers. “The prayer of the upright is a pleasure to Him.” – Proverbs 15:8. He promises soon that he will resurrect His loyal worshipers. Job 14:13-15. He has resurrected humans in the past on earth. John 11:39-44. By meditating on God's promises found in the Bible, you can find real hope and the strength to keep going knowing that one day we may see our loved one again. Caring thoughts are with you.
