“ *Apostle Edward Oliver Jr*

There are no words to describe you. Awesome wife and mother I spend many summers with you and I never saw you change. You were the same sweet and kind woman of God you have always been. Many people don't know this, but when my mother was in the hospital after having me you took care of little old me. So, I know that you hands place over my life I was destined to place my trust in Jesus. So, thank you for your love, warmth and love because you treated me just like one of your children.

“ We will miss you dearly cousin. I remember as a little girl we use to stay with you sometimes, my brothers and myself. We loved it, especially your good cooking. We love you cousin but God loved you more. Rest in peace.

Sincerely,
