“ To the family of Craig Bryant, My heart weeps for your lost. You have my prayers for peace and strength through this time of grief. To be absent from the body is to be present with the Lord. I never had the opportunity to meet Craig but always heard about him from his grandmother Janice Franklin and auntie Shameka White, I know they loved him dearly.

My Sympathy,

“ I first met Craig when he attended Garden City Elementary. He was a sweet student who would warm your heart with his smile and those big eyes. The last time I saw Craig was during the summer at Surf Lagoon in Pooler . We had a great conversation and he was looking forward to returning to school in August, but God had other plans. I didn't know that would be the last time I would see Craig. I was shocked and sadden to hear of his passing the other day. He will be deeply missed, but He has reunited with his mom in Heaven. On behalf of my family, we offer sincere and heartfelt condolences to the Bryant family. Craig touched my heart many years ago and I always remember him.

“ My best memory of my friend no my brother Craig was when he first made me laugh when I was so upset. Not many people we're able to do that but he was. I will always treasure this memory and other memories he's left to me
