“ Another day of missing you 😞. Last night I cried myself to sleep 😴 just thinking 😞 about you. You always told me don't talk nothing from anyone just to hear 🗨️ you tell me that again. This still doesn't seem real to me. It's not a day that goes by that I don't think 😞 of you. I'm beyond hurt 😞

“ Dj,

As I write this I'm still in disbelief. You really left a Hole in my heart. Whenever I needed you you was there. You cared for more than any man. We had so much in common & share a lot of memories. Only if you would've just call me that day like you normally would when you felt down & that was very rare because you always had words to lift anyone up & that smile will brighten anyone whole day. May your soul sleep in peace. I'll be waiting on you to come visit me in my dream because I have so much to tell you.

Until we meet again,

I'll always love you

“ I'm going to miss seeing you all the time rather it was at work on in the streets. No matter where we bumped heads you ALWAYS smiled a smile so bright made my day go by smooth always hugs and laughter when we were around one another. I always loved you and will continue to no matter what no matter where or how far you go. LOVE IS LOVE AND I LOVE YOU. A nephew so humble so sweet always smiling the pain the thought of you is hard. I'm thankful through the grace of God we were able to spend time together at work on the phone etc before you said goodbye in your own way a way I understand through the understanding and plans God has chosen. LOVE ALWAYS FROM MY SPIRIT TO YOURS. ♡

“ *Miss Jackie, I met Deaundre at our job 16 years ago. From that time up until we've been good friends ever since. I'm going to miss him! I ended up moving right around the corner from him in Pooler, GA where we used to fix/work on cars together. Then we'd just sit and have long talks together about everything under the sun. I've always considered him to be a great friend. I am truly going to miss my friend/ little brother! The family and friends have my condolences.*

“ Jackie means so much to my family. We met DeAundre about four years ago and remember how kind he was. There are no words that will lessen the loss or provide understanding. For that we must trust God.

Our very sincere condolences to Jackie and DeAundre's entire family.
