“ *I remember our boy scout day and our camping events. And how "twin", Donald, would figure out how to make anything work out for us at our camping site. From boy scouts, to high school football teammates, to adult brotherhood, to eternal brothers, I will miss you riding your bike to my moms house when you saw my truck. And how we would laugh at the memories. Thanks for looking for my mom as though she was your mom. I know, earth, although, has no sorrow, that heaven cannot heal... rest easy my friend.*

“ My sincere condolences to the Baynes family. Bingo was like a brother, he was loving, caring, thoughtful and definitely a gentleman. He never hesitated to open or close a door for ladies. Bingo never hesitated to help anyone that needed assistance in anyway, always with a smile and sometimes with a joke, and he would give you his last and go without if necessary..

Bingo, we are going to miss you, your humor, and all of your caring and loving gestures..May you rest in peace. Love always, Renee.
