“ I had the pleasure of visiting with Sis Green, we talk about Bro Green and his great preaching and how it converted us to the One Church. I have so many fond memories of Sister Green, she always treated me so good as a child and I was always so happy to come to her home, she was always so welcoming and I would smile from ear to ear from her welcoming presence.
God bless the Green family with love comfort and strength during this time of bereavement.

“ She was a blessing to talk to, plenty of knowledge. She always remember to bake a cake for me and bro. Driver on our birthday. She knew our birthday even though I never told her the date. She will be missed.
