“ *My deepest condolences to the family. Essence and Lavonia your mother is truly missed and loved. Londa was my Girl❤️. Londa was my mother's Girl❤️. Always there for a kind word, a sense of direction and a genuine laugh. When Londa smiled it was infectious... she had a way of making me feel brand new. Yes Love, I will mourn you until I join you. Regardless of my situation, Londa made it better.... made it bearable. She had the voice of an Angel on earth... soft spoken and soothing to my ear. I have never known Londa to be anything but good to everyone . Her passing hits different. My Cousin and dear friend for life. I will cherish many, many memories and hold Londa close to me in my heart of hearts as she rests eternally.*
