“ *Ernest was a great friend and driver and he loved the long hauls especially the runs to Detroit. he would leave me the keys to his car and tell me to crank and drive it during the week because it's not good for it to sit in the yard. He was leased to Lumber Transport and I was the terminal manger in Savannah when we were on Rogers St. He found out I would listen and not question about things that were on his mind about Vietnam and this seemed to put his mind at ease. All gave some and some gave all but GOD spared Ernest and he returned home to spend his days on the road doing what he enjoyed doing. Now he can drive those Golden HI ways of Heaven with a peaceful mind. Catch you on the side my friend 10-4 and keep those wheels a rolling. Jim Cowart*
