“ *Only u knew the truth, of what I've become, even though i tried 2 walk around, and act like I was dumb. I could never fool u, the person who raised us all, but I could of postponed our little talk, if only u would've let me stall. U was ready 2 fly away, b4 ur last breath left, but we sat down 1 night and talked, and put all our problems on MY shelf. My shelf will never overflow, neither will it fall apart, just so u'll always know, ur in each and every1s heart. Love u like I love everybody, because then it wouldn't be fair, see u again soon, after I'm done taking the stairs. Ur my great auntie, but I called u grandma anyway, and when I told u time was running out, we didn't have any words 2 say. God blessed u, the moment u was born, and now he's blessing u again, because he came 2 take u back home. Written by A.S.Sanders BKA Krazikeon. Love family. Family all u have. MafiaStyle.*
