“ *Mama,
You left me & Aria in this cruel world without a word. You left me extremely saddened and alone. I will always miss your funny jokes and the genuine love that you shared with me and Aria daily. I'm lost but also praying for some peace in my time of need, lord knows I can't go a day without grieving the lost of you. My heart ripped to pieces having watch you endure the pains you endured; but yet you still pressed forward. You was all that I had, you never turned your back on me a day in your life. I pray that your heart continue to be warm in heaven & that God permits you with that precious, pain free life that you were longing for. I love you so much mother ❤️ Until we meet again.*

“ Felicia was a sweet spirited and friendly person. To know her was to love her. What a great loss to her family and friends. She is now in the presence of the Lord where she has no more pain and sorrow. I pray the Lord will surround her family and friends with his everlasting peace and give them the strength to carry on.
