“ Mrs. Iretha was like another mother to me. I grew up on East 35th Street, where many of us were like family. We didn't just answer to our own mother. We answered to the other mothers on our block if they caught us getting out of line. Even well after we were adults, my mom maintained a close relationship with Mrs. Durham. From phone conversations, to eating at the restaurant, they maintained close contact. Mrs. Iretha was one of the kindest and most selfless persons I've had the pleasure of knowing. My prayer is that my childhood friend, Charmon, her siblings, Mr. Durham, and all who knew and loved Mrs. Iretha are comforted. I also pray for peaceful rest for a lady who left the world much better than she found it.

“ Mrs. Iretha was more than the mother of my childhood friend—she was a loving presence whose kindness and warmth touched everyone around her. Growing up, I was always welcomed by her caring spirit and genuine smile. She had a special way of making others feel at home and valued.

Her strength, wisdom, and compassion left a lasting impression on those who knew her. The memories of her generosity and the love she shared will continue to live on in our hearts.

As we remember Mrs. “Retha”, we celebrate a life well lived and a legacy of love, faith, and friendship. She will be deeply missed but never forgotten.

With heartfelt sympathy and cherished memories.

“ *Neighbors for as long as I can remember. A beautiful and giving person. Inside and out. She was meticulous in appearance and took great pride in her beautiful hair. She worked for as long as she could without complaining. If the good Lord woke her up and got her up she was moving and grateful for each and every day. She made the most out of life. She will be missed on east 35th. Rest well Iretha. Condolences to her family.*

Saint Durham was so full of love for all she knew. Although I haven't been in her presence for many years she was always loved and will be sorely missed. I take comfort in knowing she is now with the Lord and singing with the other angels in heaven. My prayers go up for the family and friends. May you all be blessed.

Auntie Retha, I don't know exactly remember when or how you entered my life as a child. However, I do know that you were always present! My third parent, my ICE when I couldn't reach anyone else. You cared for me and my children as your own. You taught me by example how to love others regardless of circumstances or status. You showed me how to forgive, how to help lift others up and how to share and care. Before Internet there was YOU Iretha, a network of knowledge of all people places and things. I watched you connect with so many people and in turn connect others to one another. I miss you "Pretty Lady on the outside so Beautiful on the Inside"
