“ I met Jake when I was 21 years old off Brockett Rd., Atlanta,, GA I will never forget. I was walking through the apartments and he was driving a purple vehicle. I don't remember what kind and he jumped out and started walking with me. That's when I knew he was a cool person with great southern hospitality we talked for second and then became great friends me not being from Atlanta he had my back 100% and every time I go visit Atlanta I always ask have anybody ran into him or seen him or is he OK because you never forget a person that really had your back when you didn't have nobody living in another state I had to take a moment to myself for this one you will definitely be missed and Nikki will always keep you in her heart

“ *The wisdom, the protection, the humor and love Jake shared was unmatched. He was an exceptional man, mentor, and friend to me and my family, and he will be greatly missed. Anyone who was blessed enough to have known him, knows there's no other like him. This is a huge loss, but not as huge as heaven's gain. My prayers and condolences to the Bowers family and Jake's children.*
