“ *Essie,Essie I still can't believe that your soul mate left U, but I know that you are strong in your faith in God, knowing that he will wrap you in his arms in this trying time. James Murray was a true gentleman always willing to help when his help was needed and I could tell that he adored Essie, they always had me laughing. Essie, look up and smile because your memories will keep U strong. God just added another Angel! Luv U. Lorraine Elleby*

James was a true friend of mine ! He was always willing to help me out whenever I needed something! I could never thank him and Essie enough for all the times my newspaper was brought to my back door for me , rain or shine also bring my trash cans to the back yard after pick up and recently was cleaning my yard. He will truly be missed, because he and Essie was a true friend! Essie love you!
