Words can't express how beautiful you are and warm spirited you are. We met in 1981 at corner store where you worked. Bay street across from Jenks street. Your personality was off the chart and your kindness was even more off into the heavens. From day one you trusted our friendship was a blessing from God. With you and your children came love joy laughter a new family in my life. Everyone always wanted to stop almost every day or time you will them in and your cooking was made with love. I left savannah and moving around we lost contact. I thought about you Sunday and wondered if you still was there. And a of who was a relative of yours told me the news. I was heart broken and filled with sadness. May God bless you in His eternal rest comfort. May bless your children with the same comfort of Peace love and strength. Love Nay
