“ To my dear sister,

You are now in the presents of GOD our Father in Heaven. He will greet you with understanding and love. For the time you have been in my life, I have NEVER heard you curse or raise your voice at anyone and I wondered if it was all because of our respect for each other (smile). Your voice was always soft even when you cried. My heart is aching, but I know GOD has you. You are with so many of our loved ones Our Grandmother, Grandfather, our earthly Father and Mother, Our sisters, my son and your nephew, Ashley your beloved baby (your son), cousins and so many others, but most IMPORTANTLY YOU ARE WITH GOD!. I will pray when I hurt for another lost and void is in our family. We miss you. I hope you know that you were loved then and now.

*Good Night my Dear Sister,
Your big sister.....Betty Ricks Saxby*

FG

It's sad to hear that a good friend has left this earthy place, although it was temporary! Jan was my best friend in high school or I should say we grew up together on Roger Street. The last time we spoke it was at the Veterans Day Parade, and we promised each other that we would stay in touch! I always loved her dearly and I am missing her now. Jan was always humble, meek and had a quiet Spirit about her! bless her soul as she is now with her Heavenly Father! I love you Jan, your friend Francina Gilbert
