“ *Oh my little buddy, how I will miss you. I enjoyed all of our talks over the last 2 years. You always wanted to help me and were always telling me to slow down. We had so many good laughs, especially when I would find all your stashed food, especially in your socks! You cared so much about people and were ready to help. My heart goes out to all of your family during this difficult time. It was so apparent how much you were loved by them. I know you are having THE BEST cup of coffee in heaven right now. Love, your Pest.*

“ *I remember the first time I had Mr Williams as a client at the VA center he asked me if I was a Christian and I said yes and he told me then you can stay. I also remember the last I had Mr Williams as a client at the VA center and he prayed for me because I was going to have a surgical procedure done. Enjoy your vegetable garden in heaven and your resting place at home in your beautiful Georgia. You will be greatly missed. Love Kathlene H. Visiting Angels*

“ I have known Jerome only a short time but not a day went by that without me bugging him! He was absolutely the sweetest on his good days and had the kindest heart to all the other Veterans at the Center! I loved him like he was my own. Til' we meet again Jerome. ❤️ Love, Nae.

“ I've only known him for a few years, but what a blessing he was! I was greatly pleased that I could play his favorite song, "Love Lifted Me" on the harmonica, slow enough that he could (and would!) sing along! I'll miss him, but only for a short time for we will see him again!
