“ To the family. I send my condolences, to Pastor Marion and Prophet Brooks, I am praying for your family.
To the children, your mom and I was good friends. When I joined PMDC, she took me in as a sister. Her smile radiates across a room. She and I worked together in Sunday School.

“ Adequate words escapes me to express what a tremendous void has occurred as a result of the death of your love one. Jessie was my friend, Sunday School student and a Bible College graduate. I will miss her smile, her participation in Sunday and the way she spoke of her love for God, her family, and her church. God has received another of His children and I want to encourage each of us to live every day in ways that will insure that we will see Jessie again.
