“ Sister Agnes and the entire Williams family we extend our sincere love, prayer of comfort and condolence at this very difficult time of great loss; from the daily interaction, and expressions of love you have been directly involved and formed over the past seventy years with our dear brother Johnny!

We give God praise, and appreciate the opportunity granted to us to share in this beautiful interaction and spirit filled bond of fellowship commencing in the eighties, and almost weekly since 1989 either in person or via phone! We will remember Johnny, for his attendance in many bible studies, fellowship gatherings and worship always exemplifying respect ! We also appreciate Johnny's commitment ! Family, please know that you are loved and are in our thoughts and prayers for strength and comfort.

“ *My Dear Sister Williams & Family
You have our condolences
Johnny was my brother and special friend .
From the moment that I obeyed the gospel at
Carver Village Church of Christ , we
connected.. Johnny always had a quiet spirit , loving heart and
wonderful personality . Even though I left Savannah years ago ,
upon returning on numerous occasions , Johnny was one of the
main persons that I longed to see . We always enjoyed each others
company . , Our friendship was indeed special , it
brought the best out of each of us .. His smile was both innocent as
well as contagious..
Throughout our friendship , there have been several funny and
memorable things that happened to us , none of your business, only
GOD , Johnny, Brother Williams and Sister Williams will ever know.,
My heart is heavy GOD knows best . Sister Bobbie Wilson - NY*
