“ This is the group from Savannah , Georgia Name: Crime Affiliates (Jason Johnson (Camouflage), Kenyatta (Moett), Lavar Truesdale Lavar Byron (Lil Sneed), & Lamar Lesley Lamar Truesdale (Big Greed), and they were a big group with Pure Pain Records that had hits and travel with big stars in the late 90s to promote their group like Destiny's Child & more and since the second member of the group has passed away and we haven't heard nothing at all on the radio about them.. at all...but back in the day E93 all played all of their music!!!
