“ *My sincere condolences to the Brown,Parker, Jones family. As Mollie has been a standard of what a loving and caring family member should be, I know, because she accepted me into the family. We all have memories of her, share them with each other, love one another that is what she would want. Her physical presence with you will be missed but she'll never be forgotten. May our Lord and Savior Jesus Christ bless you with His comfort and peace.*
