“ *To the Johnson Family*

*I know you all have been through a lot this past week, But journey on with the strength that Mama Mary instilled in all of you; Mama Mary dedicated her life to God and family and she will be missed so much, by those of us whose life she has touched. She was much more than an in-law to me she was a mother and will forever miss the talks we had and hugs she gave, I was blessed and privileged to have had the opportunity to call her Mama, just as so many others who witnessed the Love of Mama Mary, So to all the grandchildren, nephews and nieces she has mothered and to her own children Love one another as she loved us all, keep the family bond strong because she is looking down and watching over us at this very moment being that Loving Mother she always has been.*

“ To the Johnson family

*It has been really rough this past week but God is able. I miss the sound of Aunt Mary's sweet voice and her laughter. I would give any thing to have her back but God has the final say. I love you all just know that I am here for you. But me must pull together and learn to love ye one another. Aunt Mary was such a sweet women fighting so hard each day through so much pain but now she is resting in her new home no more pain no more suffering. Keith you will be just fine just keep trusting God he makes no mistakes and he will see you through. Rest in peace my sweet Aunt T, I love you so much you may be gone but will never be forgotten.*

“ To the Johnson Family,

*My greatest memory was how excited Ms. Johnson was when her children gave her a birthday party at her home. She enjoyed the fellowship of everyone coming together to eat, talk and reminisce about old times. But most of all, she lit up while she watched the children splashing around in the pool.*

*I appreciate you, I love you and I will miss you. You have been a part of my life for 30+ years and your grandson (Dontrai) will be fine*
