“ To , Momma Melrose, Angie, this news hitted me like a sack of bricks, I was looking for someone else's name when I saw Melvins' s picture, it also saddened my heart.We hadn't seen each other in a longtime, but he was, and always will be my friend.I met him/ the whole family through his sister( the late Julia) back in the 10th grade.he was always nice , we use to joke a lot.To his family, may God continue to strengthen thru this your darkest hour, and the time ahead.Trust / hold on to God's unchanging hand.Look to the hills from whence cometh all your strength.Rest in Peace Melvin 🥹❤️

“ To the family of Melvin Akins, He was a true friend and I always adored him as a brother, when it came to Melvin, if I had 2 dollars, he knew that he could always get one. A true friend indeed. I love that boy. My deepest condolence. Much Love

“ It is with heartfelt sympathy and love to Melvin Akins "Kool" Family that God , friends and all that love you will be of comfort during his transitioned - and after all is said and done - The Bible said I consider that the sufferings of this present time are not worth comparing with the glory about to be revealed to us. For the creation waits with eager longings for the revealing of the children of God. Do not be afraid or discouraged... For the battle is not yours, but God's
