“ *Life will never be the same on River Street. I walked down River Street early Monday morning and it was so quiet and sad. Michael, where were you? You were always there early to open and clean up the Market place and to welcome us in with a smile. I work across the street, but Michael came over multiple times a day. I will never forget your laughter and positive attitude. I will never forget your kindness and gratitude. I will never forget your giving heart. Michael I will miss you always. Every time we walk River Street we will remember your face. I know in heaven you are going to be a news anchor. I nicknamed you "WTOC", keep on reporting and telling the news Michael.*

“ I first met Michael when I first started working at the River Street Marketplace. He immediately was friendly and always remained that way. He was always helping everyone and would share a laugh everyday. He became my friend for life, and I am praying for the family for your loss.

Michael it is hard to put into words the ray of sunshine that you brought to me and all the girls at The Naked Dog at The River Street Market Place. You never hesitated to help us when needed or make us laugh with one of your many stories. Our hearts are heavy and can only say our thoughts and prayers are with your wife and your family. To say you will be missed is an understatement.

Michael my heart is still hurting knowing that you will not be at the market when I come to visit. You always had a smile or smirk on your face. Thanks for being a great person who always helped people even if they didn't deserve it. You were a true friend. God needed you with him now but we will miss you dearly. Rest in peace my friend and smile on.

Just think about how we laughing and talking over 15 years on the river you'll be truly missed at Exotic Cigar's & gifts words cannot express how I truly feel about you 15 years running in and out of the store talking to me just to make sure that I'm OK and I thank you for that as always loving you to life DeBorah Asiya Barnes
