My Mother:

She was a hard working woman. She took on all the responsibilities that came her way with Grace. She took good care of her children with love and always did the best she could. I love her and appreciate all that she did. While away from her, I looked forward to hearing her voice on the phone. It was always

good to come home to visit her. All the good meals and feeling so special to her is something I will miss. Mama I love you and will think of you always. I know that you are with God the Father, looking down on us with love. You wanted all of us together and we are all here to honor you. I pray for healing for our family. That would bring a smile to your face and joy to your heart. ~  
Your Daughter, Barbara Ann ~

## LETTING GO

The angels gathered near your bed, so very close to you. For they knew the pain and suffering that you were going through. I thought about so many things, as I held tightly to your hand. Oh, how I wished that you were strong and happy once again. But your eyes were looking homeward, to that place beyond the sky. Where Jesus held his outstretched arms, it was time to say goodbye. I struggled with my selfish thoughts, for I wanted you to stay. So we could walk and talk again, like we did - just yesterday. But Jesus knew the answer, And I knew He loved you so. So I gave to you life's greatest gift, the gift of letting go. ~Your Loving Children ~
