“ *Myra,
Thank you for being a true friend. I had so many wonderful memories with you its hard to begin. I remember many days hanging out when Cerria was only a baby. Shopping and just having a good time. I celebrate your life because you brought so much joy to many people. We had great times working at HIP hanging out. You were more than a friend you were family. Family that I miss so much. Miss being able to just stop by and talk for hours. We loved you but God loved you more. SIP my friend until we meet again. Much love.... Jeanette*
