“ I'll remember always Norma's lovely face and megawatt smile when she came to Tybee Library where I worked. She had a questioning nature,too which I'm sure helped in her careers as a nurse and social worker. I believe though she was proudest of her beloved son Casey, also Gerald and the short time they had together. Norma's family and friends may God bless and keep you in your loss of a truly special person. She suffers no more. Martha Griffin Walsh, Tybee Island

“ My dear friend Norma Jean met when I was 13 years old. We were bonded together through her Aunt Berta's marriage to my first cousin. We hit it off immediately and have been friends for 31 wonderful years. We've shared many laughs and support for one another. She was a beautiful person inside and out. Her faith in Christ Jesus encouraged me on many occasions. My friend left nothing undone here. I know that I will see her on the other side. My prayers with forever be with her husband Gerald and son Casey. I will carry the sweet memory of my friend forever in my heart...

I met Norman when we attended Johnson High School and the the pleasure of seeing her while I was working at St. Joseph's Hospital and she was sitting with a patient. “ My sympathy to Gerald, Casey & all of Norma Jean's family. My husband (Roger) and I first met Norma Jean many many years ago when Roger was minister at the LA Ave. C/C. We would go to Tybee Island to pick up Norma Jean up for church. Although it has been many years since we last saw Norma Jean, we stayed in contact by telephone & FB. She was "one of a kind" and I am so thankful she came into our life. I could write & write, but I will close by saying; "Thanks Norma Jean for your friendship and love, you will be missed."

“ Norma and I had worked together for several years, it wasn't until her grandmother was a patient in a facility where we both worked we found out that we were related. I took her around to other family members introducing her. She was so happy to meet them as relatives. I will miss my cousin. My heart felt sympathy goes out to Normas family, She fought a good fight, Just knowing that she is at peace with the Lord, God's comforter will give you peace. Sandta Carter
