“ Pappy ol Pappy 😔 first mom, then Cal, now you ❤️ though it hurts I'll continue pushing forward because you didn't raise a weak woman, you taught me so much and I admired the man you were because you taught me to love and respect myself, the definition of what a man should be (tell Cal I said I love and miss him) and not to take anyone's crap and I won't. I'm thankful for the time God gave me with you and I'll cherish those memories close to my heart. You're no longer in any pain so rest on Pappy and kiss mom for me ❤️💪🙏
