“ I don't believe there was anything my little brother couldn't accomplish when he put his mind to do it. As children, I remember how he mastered the unicycle. He had an adventurous spirit about him almost to the point of a little child. He was extremely loving and forgiving. He loved the animals of all types in particular. He would have made Noah proud! I just wish I had known the man he became! Sleep now for I know my Lord lives and I will see you at the first resurrection.

John 11:25 - And Jesus said unto her, "I am the resurrection and the life, he that believes on me even though he die, yet shall he live."

Your sister who loves you, Mary

“ *I have only know Cycle a little while, but the time that I have known him he was my father away from home. Him and mita treated me like I was their child.. I will never forget right before I left savannah he gave me a tattoo of a heart and I was so scared but he said come on its a little heart. I got the heart and now I can't stop looking at it in disbelief... I know he is resting and relaxing right next to the lord because he was a great man of God... I love you cycle and you will be missed...*

“ I will never forget how dedicated he was to helping his wife recover from her transplant surgery. He was always pleasant to the staff and helped us a great deal with her everyday care. May her rest in eternal peace and be at the feet of the FATHER with a smile on his face.

“ I WILL NEVER FORGET MR SOLIS HOW KIND HE WAS TO US AT PIEDMONT TRANSPLANT FLOOR WHEN HIS WIFE HAD A LIVER TRANSPLANT. HE MADE A BEAUTIFUL SWAN FROM A COUPLE OF TOWELS. HE ALSO GIFT US WITH A LARGE CONTAINER OF COFFEE. THAT WAS SO TOUCHING, HE WAS ALWAYS SO WILLING TO SHARE WHAT LITTLE THEY HAD AND WAS VERY HELPFUL, AND WILLING TO GIVE A HELPING HAND TAKING CARE OF HIS SICK WIFE AT THE TIME. HE WAS THERE 24X7. R.I.P. I KNOW YOU ARE IN GOD'S CARE NOW.
