“ I’m so upset with you right now but I know you have your reasons, Meek I love you gurl, I wish we had more time together , more laughs, more cries, more everything. I apologize I wasn’t there for you like you needed and that you felt so alone to not share what was going on, but you are loved , you will be remembered and know you are thought of daily! I’m so sorry I didn’t get the chance to say goodbye
