“ *To Sonia, Eric, Pam, and Paul*

*My heart is heavy with the news of your mothers passing. I had her on my mind this week because I rode by the house and was wondering how she was. I was saddened when I read of her sickness and her home going. My prayers are with you at this difficult time. Know that God is with you and your mom will be with you in your hearts. God Bless you all.*

“ Casey,  
*Condolences to you and your family. I know right now your heart may be heavy and full of pain and you may be wondering why but remember GOD never makes mistakes. He would not put too much on you than you can handle. Your grandmother is resting now feeling no pain. She would not want you to be sad or to worry about her because she is okay.*

*Isaiah 41:10*

*"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."*

*I will always be here for you.*

“ *To Sonia and Family:*

*First, I just want to personally thank you for sharing your most beautiful and wonderful Mother with me. It was truly a Joy, my Pleasure and Privilege in fellowshiping with Mom Dryer on those bi-monthly phone calls about life, family and above all the grace and mercy of our Lord. She has done God's work, and has left a legacy of Family and Love.*

*Secondly, "Jesus said unto her, I am the resurrection, and the Life: he that believeth in me, though he was dead, yet shall he live. And whosoever liveth and believeth in me shall never die. Believest thou this? John 11:25-26."*

*If I could quote A.J. Russell (his book, God Calling): Painful Preparation – “Help and peace and joy are here. Your courage will be rewarded. Painful as this time is you will all one day see the reason of it, and see too that it was not cruel testing, but tender preparation for the wonderful life-work you are to do. Try to realize that your own prayers are being most wonderfully answered. Answered in a way that seems painful to you, but that just now is the only way. Success in the temporal world would not satisfy you. Great success, in both temporal and spiritual worlds, awaits you. I know you will see this had to be.”*

*Finally, I like to share a Poem:*

*“You can shed tears that she is gone  
Or you can smile because she has lived.  
You can close your eyes and pray that she'll come back  
Or you can open your eyes and see all she's left.  
Your heart can be empty because you can't see her.  
Or you can be full of the love you shared.  
You can turn your back on tomorrow and live yesterday,  
Or you can be happy for tomorrow because of yesterday.  
You can remember her only that she is gone,  
Or you can cherish her memory and let it live on.  
You can cry and close your mind,  
Be empty and turn your back.*

*Or you can do what she'd want:  
Smile, open your eyes, love and go on."*

*Be assured in knowing that the Lord's Grace and Mercy are  
Sufficient. All of my LOVE sent to the entire Family.*

*Sincerely,  
Major Oregon Emerson III*
