“ I miss your voice, your infectious laugh and watching you dance.

Fashion you loved and now you have new accessories a pair of Angel's wings.

The world has lost a wonderful girl, a true and amazing sister & friend. Although I cry and will stand grief-stricken by your grave,

I promise not to forget the loving memories you gave;

But still I miss you so very much my sister dear,

And your caring words I once again long to hear;

My heart's only solace is one day I will see you as before.

Sleep will my sister, love always, Ebony Clay
