“ To the Scott family ,my sincere condolences. I'm writing this farewell note in deep sympathy of the loss of one of my deepest friends. Tom I'm truly and undoubtedly going to miss you. I'm going to miss the long talks and laughs we shared almost daily. You were MY FRIEND!! and as I write this I know you loved me as I loved you in our way. We had a friendship that will never be replaced and I'm missing you already. Just knowing you're gone. hurts, but God has you now and I'm comforted knowing you're with him. I will remember you as you were, since I never got to say goodbye. Your smile will live with me forever. I thank you for being there not only when I needed you, but for my girls as well. Rest easy my friend until we meet again. May God welcome you in his arms and forever keep you in his love. I'm missing you my friend❤️ Love You Always
