“ *My Big Sister, I miss you my love. It's really has been hard. I can't hug you. I can't here your voice. I can't argue with you about nothing just Big Sister Lil Sister drama. Nothing serious you know. Sis you was loved not just by our family but extended family too. I love and miss you and momma. I sure can use a bowl of your jumbo and momma's fried chicken, dang I'm getting hungry this time of the morning, 😭.*

I feel this way for us all, we can say or feel like it was the wrong time for you and momma to leave us. But God was on time. We are going to be just fine taking this right here one second at a time because a day is too looooooonnnng.

We the family would like to think everyone for the selfless love that was showed in all. Because that is the love my sister, our sister, friend, Couzin, daughter, mother and grandmomma showed to the fullest.
