“ We are praying for our son, brother, and uncle family at our time of sorrow.

Grief can be hard during the holidays. May your hearts soon be filled with wonderful memories of joyful times as you celebrate a life well lived.

Trials come to help make us strong. He is not in pain anymore, he is sleeping. Allow the Lord to minister to you.

Please continue to pray with us.

There are very few words that can express how I feel. First and foremost, to Vet, Von, Chequittea, and Elaine, I am sorry for the loss of your brother, my first cousin Vernon. My prayers are with you. I have memories of Vernon as part of my childhood that I will always cherish. I thank God for the time Vernon spent with us and I thank God for taking Vernon on so that the pain he was experiencing would be no more. To his children, I am praying for you in this time of sorrow. God bless you and may God keep you.
