“ It's already been a month since you went to be with our Lord. I think about you everyday. I could always talk to you you to keep me level headed when my mind was troubled. Even though I can't see you or touch anymore, I can still talk to you and gear you in my ear. I miss you so much. The pain still hurts abs my heart still aches. The wound is deep but in time it will heal. We love you and miss you but we know that God loves you best as he whispered in your ear"my child come take your rest". We will never forget you because you are forever in our hearts. We will keep your memory alive. Until we meet again, rest in paradise my sweet cousin& sister.

Love you always,

Your cousin Nikki

“ *To the Family.*

I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.

Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.

In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.

The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.

I hope that after reading this that it will be of comfort to each of you.

“ *Do not shed tears when I have gone but smile instead because I have lived.*

Do not shut your eyes and pray to God that I'll come back but open your eyes and see all that I have left behind.

I know your heart will be empty because you cannot see me but still I want you to be full of the love we shared.

You can turn your back on tomorrow and live only for yesterday or you can be happy for tomorrow because of what happened between us yesterday.

You can remember me and grieve that I have gone or you can cherish my memory and let it live on.

You can cry and lose yourself, become distraught and turn your back on the world or you can do what I want - smile, wipe away the tears, learn to love again and go on.
