“ I was not only terribly saddened of hearing the news of Veta's passing but shocked as well. I had the pleasure of being her teacher / coach at HVJ and then teaching with her at Savannah Tech. This world is losing a great young lady and teacher but I know the world she is in now is rejoicing to have her. My thoughts and prayers are with the family.

“ Faith is obedience to the urgings of the spirit, the porthole through which all things have their being. Your life right now is the only true measure of your faith. Your words and your actions right now determine the fullness of your cup. When we realize who we are, the blessings we have be given, the power you and Sister Johnson embody, you have tapped into your source of your healing ability (Jesus the Christ). Remember, the same force that created the world without a model is the substance upon which you stand. Stand firm in the darkness knowing there is something solid there. Peace and love my Brother & Sister is Christ, our prayers and our love go out to you and your family. Stay strong in the Lord and He will direct your paths.

“ To the Johnson/Coger Families From the Thomas Family: We can't imagine the pain that you are feeling in the loss of your daughter. Veta was more matured than her young years when we first met her at the Liberty City Church of Christ in the 80's. Please take comfort in knowing that you reared a christian. It was only 3 Sundays ago that Veta was at the church. Always humble, sensible and thoughtful. We remember the weekend hotel stays with the other girls and some of the mothers. Your faith in God and your love for Him will get you through this.. We also remember the bible bowls, lectureships and other activities that we were able to observe Veta. You did a great job, now she is with our Lord and Savior Jesus Christ. "For they that wait upon the Lord will renew their strength, they shall mount up with wings as an eagle, they shall run and not be weary, they shall walk and not faint." God be with you and keep you. “ I just want the family to know that my heart is saddened over the loss of Veta. Such a beautiful person. She always had that smile on her face whenever you saw her. I am still in shock. But I know God is able to keep you all as you all reajust without her. She will never be forgotten, but God will able the hurt and pain to ease as time goes on. I will really miss her also, and I really hate she had to leave us so soon. But my love and care is with the family at this difficult time and if you all need me I am just a telephone call away. “ *To the Johnson and Coger Families,
I came to know Veta while in Orangeburg while she worshiped at Garden City Church of Christ many years ago. Veta had a beautiful personality - very focused and goal oriented. I saw her only a few months ago while she visited in Orangeburg with Danielle. Please know from us that she inspired us all with her smile, compassion, giving and outgoing demeanor. The Saturday she visited the church, she spent part of that day helping the community with the Food Drive by signing up families and sharing the gospel - what a beautiful act of kindness. May God keep each of you in the days to come and may you be comforted in knowing the impact her love and giving had on others.*

My thoughts and prayers are with you during this time. I met Veta in 1994 when we both enrolled at Claffin. She was always there whenever you needed advice or a sympathetic ear. We shared lots of good times together as well as some confusing times (advanced Chemistry classes).

She was beautiful inside and out and will truly be missed.

I know that your faith is strong, and I want to encourage you to hold on to it. Faith is the evidence of things unseen. Even though we can't see a reason for what has happened, we can have faith that there is a reason in His plan. I am praying for your peace and strength in this difficult time.

It was a pleasure to be in her company going through our High school years. when you befriended Veta you had a friend. “ For days I have been at a lost of words, on the passing of Veta. I met her back in 1994, on the campus of Clafin University. We became friends, and later sorority sisters. I remember her, as having a strong belief in her faith, a love for her family, and most of all, extreme self respect for herself. Even as teenagers and into our early years of adulthood, she always seemed more mature and focused than most others our age. We re-gained contact about a year ago, and picked up as if time had stood still. She was still the same person, full of advice and still allowing her shoulder to be leaned upon. I believe, God makes no mistakes, even when some of his decisions confuse us here on earth. I do know, that now Heaven has open it's doors to Veta, a remarkable Angel , who will watch over all that loved and cherished her. To the family, you have my sympathy and may God continue to strengthen your hearts.

“ *I just wanted to let you know my thoughts and my prayers are with the family through this heartbreaking time. I can't begin to understand your loss, but I am so glad to have known Veta and watch her grow into a beautiful Christian lady. Be encouraged and know that God holds her in his arms and peace is her covering. May God bless and keep the family in His care now and forever. Bro. Johnson, Sis. Johnson & Shaun, you are in my prayers.*

Love you, Sis. Rose Thompson

“ Veta, what can one say, from the first time she visited Liberty City in January 1989, until her last time in October 2012, she was a beautiful girl who grew to be an amazing, accomplished Christian Lady. She always exhibited the finest qualities of a Lady and especially one who Loved the Lord! I will always be proud to be able to call her a friend.

“ As saddened as I am by your loss, I am so grateful for having known Veta. Know that this is a part of God's plan and your heartache will become one of your most valuable life lessons.

I love you, Bro. J., Sis. J., and Shaun. Veta will be truly missed.

“ Dear Bro. & Sis. Johnson and Shun, this is Gabby from Oakland, CA. We met at the Church of Christ Annual Lectureship in Cleveland, OH in 1988 (or so).

Veta and I were both in our early teens. Veta instantly became my little sister and I her BIG sister. She played an intergral role in my Christian life because we had a lot in common, our fathers were Church if Christ ministers. It was hard enough living a Christian life as a teenager, it was even harder being a PK (Preacher's Kid). We wrote each other a couple of times a month and we called each other on the phone. I was so proud of her. She was very studious and a natural in math. I am truly devastated to be writing this tribute. I had been praying to God that I would have a chance to see her and talk to her again as adults.

Bro. Johnson, Sis. Johnson & Shun, you all have my deepest sympathy. I am fasting and praying for your strength and healing. I Thank God for Veta and her time here on earth but I will miss her greatly and love her eternally!

God Bless you!

Sis. Gabrielle Gabby Culliver (Brandon)
